Yemen

INcontext International

War, hunger and a deadly cholera outbreak are combining to create the largest humanitarian crisis in the world, impacting 80% of Yemen's children.

Child marriage is on the increase due to the crisis – more than two-thirds of girls are married before the age of 18 (up from 50% before the crisis).

Pray for Yemen

- That Godly-inspired leaders will pursue a peaceful resolution to the conflict

- That critical humanitarian support would reach the suffering masses

- That Yemenis will cry out to the Lord in these desperate times
