

Pray *for*
INDIA

INcontext International

PM Modi strengthened ties with the US in a recent visit, focusing on anti-terror cooperation, criticism of Pakistan and concern over China's growing regional influence.

In India, under the leadership of PM Modi and his ruling BJP party, crackdowns on Christians and other minorities have steadily increased.

PRAY FOR INDIA

- That international cooperation will lead to improved conditions for India's minorities

- That persecuted believers in India will be strengthened and encouraged

- That the Church in India will continue to grow in the face of intense opposition

Pray for INDIA

INcontext International

India strengthened ties with the US, while persecution of India's minorities continues to intensify.

PRAY

That international cooperation will lead to improved conditions for India's minorities

That persecuted believers in India will be strengthened and encouraged

That the Church in India will continue to grow in the face of intense opposition
