

Pray for the

# HORN OF AFRICA

*INcontext International*

**Drought and regional instability continue to fuel the deepening humanitarian crisis in the region (Somalia, Djibouti, Eritrea and Ethiopia).**

*INcontext International*

**The ongoing Qatar-Gulf crisis has wider security implications for the Horn of Africa region, as some nations take sides while others try to remain neutral.**

# PRAY FOR THE HORN OF AFRICA

- That regional leaders will work towards conflict resolution and good governance

- That sufficient aid will reach those areas in desperate need of relief

- That the Church in the region will be in the forefront of reconciliation and relief efforts

Pray for the  
**HORN OF  
AFRICA**

INcontext International

**The strategic region is facing huge humanitarian and political challenges.**

**PRAY**

That regional leaders will work towards conflict resolution and good governance

**That sufficient aid will reach those areas in desperate need of relief**

That the Church in the region will be in the forefront of reconciliation and relief efforts
