# TURKEY

27 June  
2018

For God to  
work in the  
new season  
of leadership

For citizens  
and refugees  
in Turkey  
affected by  
the changes

For the Body  
of Christ to  
be a source  
of peace and  
hope

*President Erdogan won new powers  
in the recent election, increasing his authority  
and bringing joy to some and fear to others.*
