

Pray for
SYRIA

As the fragile ceasefires hold in certain areas, some families are returning and communities are beginning to clear and rebuild.

INcontext International

In areas such as Raqqa where coalition forces are attempting to finally root out remaining IS fighters, communities struggle to endure the bombardment.

PRAY FOR SYRIA

- That the ceasefires in de-escalation zones continue to hold

- That communities still under IS control will soon be liberated

- That the Syrian Church and leaders will be encouraged and strengthened
