# THE HORN OF AFRICA

14 August  
2019

**For good rain  
to fall and  
desperate  
needs to be  
met**

**For the easing  
of tensions  
between rival  
communities**

**For the  
Church to be  
an instrument  
of hope and  
provision**

*Millions face severe food shortages  
as drought conditions in the Horn of  
Africa worsen.*
